Universal Clamp Systems

A Flexible System

The Car-O-Liner universal clamp system with accessories is the most versatile clamping system you can buy. Its unique design allows you to set up and pull from almost any angle around the vehicle and the multi-purpose clamps will grip tight to save you time and energy. Replaceable jaws allow effective and efficient use of time and tools to attach the correct clamp or hook for that specific repair.

T10

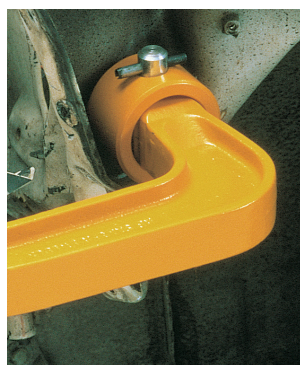

The Car-O-Liner universal clamp system with accessories is the most versatile clamping system you can buy. It's unique design allows you to set up and pull from almost any angle around the vehicle and the multi-purpose clamps will grip tight to save you time and energy. Replaceable jaws are another advantage over our competitors.

Les pinces universelles Car-O-Liner et les accessoires de fixation permettent tous les tirages dans de multiples combinaisons. Leur forme pratique autorise tous les accès et permet souvent d'éviter les déposes longues et fastidieuses. Leurs segments de prise sont remplaçables.

Die Car-O-Liner Universalzugklammer und das Befestigungssystem läßt sich in vielen Variationen für unterschiedliche Zugaufgaben kombinieren. Durch die praktische Form werden in vielen Fällen zeitraubende Demontagearbeiten überflüssig. Die Zahnsegmente an den Klammern sind auswechselbar.

Car-O-Liners universaldragkrampa och fästtillbehör kan kombineras i många variationer för olika typer av drag. Tack vare den praktiska formen slipper man ofta tidsödande demonteringsarbeten. Taggsegmenten på kramporna är utbytbara.
